Puna-oho Team Zoo Trip

Our Year 1 and 2 learners were fortunate to attend the The Warehouse Zoofari.

This is a nationwide programme that focuses on conservation education. The Wellington Zoo along with The Warehouse provided funding for our school to bring our students to visit Wellington for free. This included free transportation, entry to the Zoo and an Educator-led conservation programme

for our school. After the learning session, we continued to explore the Zoo, attended animal and conservation-themed talks, participated in visitor activities and enjoyed free-choice learning. This was an amazing experience for our children - with some of our children having never been to the zoo. A huge thank you to The Warehouse for making this possible.

JUNIOR VARIETY SHOWS (YEARS 1-4 - HUNT FOR THE WILDERPRESENT)

A reminder that tickets for the show cost \$2 each, and can be purchased at the school office from Monday 27th August. If you are sending money with a student, they should go straight to the office before class with their money and note, clearly stating the date of the show and time you want tickets for. Please remember there are just 3 tickets per family due to fire and safety regulations. We would advise families to purchase their tickets as soon as possible in the hope of securing tickets for the preferred date/time as tickets will be sold on a first come, first served basis. Remaining unsold tickets will go on sale on Friday September 7th at the school office.

Two students from our school received awards at the Athletic Junior Rugby Club prize giving. U12s most improved player was Micah Harimate for 2018.

Logan Dunkerley received an award for his commitment to his team and teammates for the U12/U13s.

This information was provided by Jamie Hicks U12/13s coach for the Athletic Club

Tanner Wilkins-White was selected for the Horowhenua Kapiti U11s Representative Rugby Team, and was in great form for his first game last Sunday. We are all so proud of you Tanner!
